### Explanations

- (a) **Steward Fee:** If your family has completed a current year's stewardship card, and you have maintained/fulfilled your financial commitment to the parish, you should pay this fee.
- (b) **Non-Steward Fee:** If your family has not completed a current year's stewardship card, you should pay this fee.

Families are encouraged to complete a stewardship card and maintained their financial commitment to the parish each year. This is important for the parish to be able to plan and budget for the amount of financial contributions they will be able to count on from the parishioners.

Since the basketball season starts in the last quarter of one year, and continues through the first quarter of another year, we ask that you also complete a new stewardship card each January and begin your financial commitment to the parish for the new year.

If you have any questions, please contact Dean Niforos (313-418-6085) or the church office (586-779-6111).
